

The Longest Slide

So you think your horse can stop!

The K Ranch Arena Longest Slide competition will give riders the chance to put their moves where their mouth is, while treating spectators to the thrill of the sliding stop.

The dramatic manoeuvre is a hallmark of the Reining Horse and requires energy, precision and teamwork between horse and rider to achieve the perfect slide. To put it simply, the horse is asked to gallop at full speed before slamming on the brakes and skidding to a complete stop.

Not only is it exhilarating to watch but the K Ranch Arena Longest Slide competition will give spectators the chance to get

involved through a calcutta sweepstake with winnings to third place and a percentage donated to charity.

Don't be too quick to put your money on the Reiners though, the best trained horse won't necessarily win, it's the one who slides the furthest and stops correctly. Cutting horses often have a spectacular stop and plenty of Roping and Stockhorses can bury their tails with the best of them!

Make sure you don't miss one of the most exciting events on the K Ranch Arena Cowboy Christmas program, the Longest Slide Competition, Monday 13th November followed by live music from 8 till late.
