

Real Deal Horseman Challenge

What do you get when you mix four of the best horse breakers in the biz, a bunch of un-touched two year old Quarter Horses and a stop watch?

Don't miss this incredible event where our contestants will show off their experience, knowledge and amazing skills, competing for the title of K Ranch 'Real Deal Horseman'

Each contestant will choose a horse which they'll have an hour each day to work with before the eventual 'Freestyle Challenge' in the main arena on Saturday November 18 where we'll see just how much they've achieved.

Be entertained and educated by these talented breakers, performing a balancing act between teaching their horse about ground work, being saddled and ridden but not rushing them or pushing them too far too fast.

If you want to learn about training horses and see the techniques used by some of the most successful educators in Australia, don't miss the Real Deal Horseman Challenge!
